Funding Categories

Please select the appropriate funding category for your project:

Regional

Please describe how your project will benefit three or more hubs in a equitable manner?

This Conference Project will be managed by the Bay Area UASI Staff and will benefit all Counties and Cities in the Bay Area that use Mass Notification Systems. The Conference will share best practices and unique lessons learned applicable to any Mass Notification System user. The conference will provide dynamic speakers and hands on experiences that will make all Counties and Cities more proficient.

This field is limited to 500 characters.

Project Description

Select a goal:

Goal 4: Communications

Select a Core Capability:

Public Information and Warning

Select a nexus to terrorism: This project will enhance regional capacity to:

Select all that apply

Mitigate Effects of Terrorist Attacks

Describe the nexus to terrorism in detail:

The San Francisco Bay Area is a prime target for terrorism with many public events and iconic critical infrastructure that could be targeted. The Regional MNS Conference will improve our ability to notify our 8 million citizens and visitors on protective actions.

300 Characters Maximum

Project Summary- Provide a brief description of your project: For planning projects include a final deliverable.

This project is being submitted on behalf of the Bay Area UASI Regional Public Information and Warning workgroup. Our intent is to hold a two day conference in the SF Bay Area that would bring in topical speakers who have used their Mass Notification Systems for large events and emergency incidents. We would also provide time for all counties and cities to share information that can benefit the administrators of other systems. That would be followed by hands on training and certification in different software platforms.

This field is limited to 750 characters.

For equipment projects, please provide an inventory of the requested item currently used in the county:

No equipment requested

Compliance Requirements

–

Sole Source Approval

This project will require Sole Source Approval

Sole Source Request Form

–

Enviromental and Historic Preservation Request
